	Parcel No:
	Project No:
	Location:
	County:
Displaced Person(s) Name or Business Name:	
Subject property address:	
<p>List a description of items of personal property to be moved and how the moving costs were determined. (Use an additional sheet if necessary and <u>attach an inventory</u>). Following are some guidelines to help complete this personal property only move:</p> <ul style="list-style-type: none"> ➤ List the items of personalty to be relocated for example: 1 swing set, approximately ½ cords of wood, various garden supplies and some cans of paint in a 10 X 10 shed. 1 – 10 X 10 shed not being acquired and 4 ladders. ➤ Calculate the cost for the displaced person to move the personalty (i.e. hourly labor rate unskilled/skilled/specialist, estimated time to disconnect, dismantle, move, reassemble, reconnect, special equipment, tools, and vehicles needed to accomplish the move). ➤ Ensure that none of the items listed were included in the acquisition offer, either as a payment or as damages. ➤ Determine the date when displaced person/business must have all personal property moved from the realty. 	
My estimate for moving the above referenced personal property is \$
